

Michigan Green Business is an organization that helps promote Michigan businesses that are environmentally conscious.

A Michigan Green Business continually seeks out green products that meet high quality, eco-friendly standards while adhering to an environmentally friendly policy. Michigan Green Businesses commit to reducing their footprint on the planet, not just by selling eco-conscious products but also by looking closely at business practices and commit to operating as a green business by following the standard of reduce, reuse and recycle.

Here are some of the things that Michigan Green Businesses do:

- Buy used office equipment and furniture when possible.
- Donate or recycle office electronics.
- Use fluorescent lighting.
- Use recycled materials.
- Print on recycled paper.
- Reuse boxes as often as possible for shipping.
- Use recycled materials for packaging.
- Separate waste into organic matter, recyclables, and trash.
- Use reusable water bottles.
- Purchase from local and/or organic suppliers whenever possible.
- Buy in bulk.
- Reduce heating and cooling costs.
- Encourage employees to walk or bike to work.
- Encourage employees to use these principals at home.
